Computer Animation
Computer Games
Computer Networks
Computer Security
Computer Vision
Control Systems
Data Communications
Digital System and Logic Design
Distributed Systems
E-commerce and E-governance
Information Systems
Multimedia Applications
Pattern Recognition
Ubiquitous Computing
Wireless Sensor Networks

About ICFIT

With ICFIT 2018 held successfully in Paris, France last year. 2019 8th International Conference on Frontiers of Information Technology (ICFIT 2019) will be held in Nice, France, on April 20-22, 2019.

ICFIT is proud to host a global gathering of theorists and experts in advanced characterization techniques in the field of information technology, which brings researchers, practitioners, and scientists in discussion of the latest methods, research developments, and future opportunities.

ICFIT also aims to bring the authors and editorial board members of JAIT together to discuss the hot topics in this field and future development of the journal.

Paper Publication

Proceedings

Submissions will be reviewed by conference committees, and accepted papers will be published in the conference proceedings, which will be indexed by EI Compendex, Scopus, etc.

Special Issue of JAIT

Submissions will be reviewed by both the conference committees and JAIT editorial board, and accepted papers will be published in the Journal of Advances in Information Technology as a special issue, which will be indexed by INSPEC; EBSCO; ULRICH's Periodicals Directory; WorldCat; CrossRef, etc.
