## PROFILE

ICFIT is proud to host a global gathering of theorists and experts in advanced characterization techniques in the field of information technology, which brings researchers, practitioners, and scientists in discussion of the latest methods, research developments, and future opportunities.

ICFIT also aims to bring the authors and editorial board members of JAIT together to discuss the hot topics in this field and future development of the journal.

## PUBLICATION IN JAIT

Submissions will be reviewed by both the conference committees and JAIT editorial board, and accepted papers will be published in the Journal of Advances in Information Technology as a special issue, which will be indexed by Scopus (Since 2020), EBSCO; ULRICH's Periodicals Directory; WorldCat; CrossRef, etc.
